An isometric line drawing of a tall, narrow cabinet. The cabinet has a rectangular shape with a flat top. It features two doors on the right side, each with a curved handle. Below the doors are two drawers, also with curved handles. The left side of the cabinet is a solid panel. The drawing is shown from a three-quarter perspective, highlighting the top, front, and side surfaces. There are small dots at the corners and along the edges, likely indicating screw locations for assembly.
